## **Guidelines for Authors**

The Full Text papers in MS Words should be submitted by one of the authors of the paper through email attachment. The submitting author takes responsibility for the paper during submission and peer review. All submitted formatted full-text papers should report original, previously unpublished research results, experimental or theoretical. Papers submitted to the conference should meet these criteria and must not be under consideration for publication elsewhere. Manuscripts must be submitted on the understanding that they have not been published elsewhere and are not currently under consideration by another conference. The submitting author is responsible for ensuring that the article's publication has been approved by all the other co-authors. It is also the authors' responsibility to ensure that the articles emanating from a particular institution are submitted with the approval of the necessary institution. Only an acknowledgment from the editorial office officially establishes the date of receipt. Further correspondence and proofs will be sent to the author (s) before publication unless otherwise indicated. It is a condition of submission of a paper that the authors permit editing of the paper for readability. All enquiries concerning the publication of accepted manuscripts should be addressed to conference secretariat. All manuscripts are subject to peer-review and are expected to meet the scientific criteria of significance and academic excellence. Submissions will be considered by two

members of the scientific committee. All manuscripts should include the following information: Paper title, Full author names, Full institutional mailing addresses and E-mail addresses. When submitting manuscripts for potential publication in the conference proceedings, please **submit an original editable file**. All figures, images, tables, etc., should be embedded into the original file. All submitted full text articles should report original, previously unpublished research results, experimental or theoretical. Articles submitted to the conference proceedings should meet these criteria and must not be under consideration for publication elsewhere. The manuscript should contain an abstract with five keywords. The abstract should be self-contained and citation-free and should not exceed 150 words. One of the authors of the manuscript should sign the **copyright agreement** of their manuscripts, and all open access articles are distributed under the terms of the Creative Commons Attribution license, which permits unrestricted use, distribution and reproduction in any medium, provided that the original work is properly cited. The use of general descriptive names, trade names, trademarks, and so forth in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations. While the advice and information in this conference are believed to be true and accurate on the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The organizers and publisher makes no warranty, express or implied, with respect to the material contained herein. Deadline for Submission of paper is **October 31, 2013**

## **CONFERENCE REGISTRATION**
